Collection of bottles, jars and flasks in clear glass

Bruxelles-Propreté organizes waste collection in containers for establishments of education, accommodation and assistance. Containers of different colours are provided by type of waste (blue for PMC, yellow for paper-cardboard, green for bottles, jars and flasks in clear glass, grey/black for residual waste and brown for organic waste).

In the glass banks

- Free
- You can find the **addresses of the closest bottle banks** by entering the address of your establishment [on this page](#)

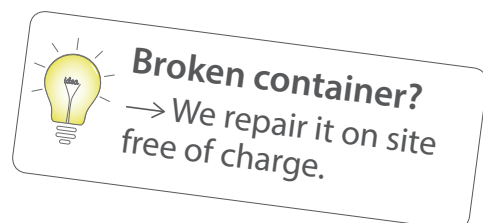

Respect the residents near the glass banks:

- Deposit your glass only between 7 and 22 h
- Do not deposit your bottles, jars and flasks at the base of the glass banks, even if they are full (more than 560 glass banks sites are available to you)
- Do not let your bags or cardboard boxes lie around the glass banks. You run into a risk of fines for unlawful deposit.

In green containers

- Volumes :
 - 240 l
 - 660 l
- Bruxelles-Propreté makes the containers available free of charge provided your waste is sorted. Contact Bruxelles-Propreté Pro!
- Frequency of collections : based on your needs.
- Cost of the collections :
 - Free up to 12 containers of 660 l at the rate of two collections per week maximum
 - Over 12 containers or for a 3rd weekly collection :

Volume	Rate per removal
240 l	4.11 € incl.VAT
660 l	7.68 € incl.VAT

At the regional container parks

You can also leave your glass bottles, jars and flasks at the regional [container parks](#).
