Collection of clear glass bottles, jars and flasks

Bruxelles-Propreté organises collections of waste in containers (green for bottles, jars and flasks in clear glass) for their customers. However, the use of glass bubbles guarantees a better sorting of your bottles, jars and flasks in clear glass. 560 glass banks sites are available to you in the Brussels region.

In the glass bank

- Free
- You will find the **addresses of the closest glass banks** by entering the address of your establishment [on this page](#).

Respect the residents near the glass banks:

- Deposit your glass only between 7 and 22 h
- Do not deposit your bottles, jars and flasks at the base of the glass banks, even if they are full (more than 560 glass banks sites are available to you)
- Do not let your bags or cardboard boxes lie around the glass banks. You run into a risk of fines for unlawful deposit.

In green containers

- **Volumes :**
 - 240 l
 - 660 l
- Bruxelles-Propreté makes the containers available to you free of charge.
- **Frequency of the collections:** Based on your needs.
- For the costs of collection and other conditions, contact Bruxelles-Propreté Pro at 02/563.28.13 or by e-mail: DL-commercial-sales@arp-gan.be
