

Sorting of Electric and Electronic Waste

Practical details

1. Container parks of Bruxelles-Propreté

- Your operating location must be in the Brussels area
- Submit a proof of address of the operating location and your identity card.
- Sort your waste by type in advance.
- Place the light bulbs, fluorescent tubes (neon) and LED lights in a plastic bag to separate them from the other waste.

Maximum 10 pieces for neon lights

- Use a vehicle with a total weight of < 3.5t.
- Your vehicle can only contain waste destined for the container park.
- Arrange the categories of waste so they can be easily verified.
- Make personally sure that the waste is unloaded and deposited into the appropriate containers.
- Rate: 121 € incl. VAT per visit per day for bulky waste (which includes household-type electric and electronic waste) sorted by category.
- Consult also our page devoted to the container parks for professionals.

Our rates are listed in the Decree of the Government of the Region of Bruxelles-Capitale establishing the pricing system of the services of Bruxelles-Propreté (22/12/2011).

2. Via the collection of household-type bulky waste by Bruxelles-Propreté

- Arrange an appointment by calling the toll-free number 0800/981 81.
- Put your electric and electronic devices out on the pavement (with or without other household bulky waste):
 - the evening before after 20h if the appointment is set for the morning
 - Except Schaerbeek: That same morning before 7h30
 - as late as possible in the morning if the appointment is set for the afternoon.
- Your presence is mandatory during the time period set when making the appointment.
- Rate :
 - 27.23 €/m3 incl. VAT
